

— BEFORE YOU ARRIVE

LAND READY TO DIVE.

SEVEN THINGS · NONE OF THEM HEAVY

Get these done before you land, so your first day is dive time, not admin. **Anything unclear? Message us on WhatsApp** and a real person will answer.

1 BOOK YOUR SPOT

ANY TIME

- ☐ **Pick what you are here for:** a course, a training block, a competition or coaching. Unsure? Send your level and dates and we will point you the right way.
- ☐ **Book online** at blueelementstore.com/book. To hold a place or discuss a deposit, just ask.

Competitions close early: fields are capped and dates around the events fill first.

2 TRAVEL

BOOK FLIGHTS EARLY

- ☐ Fly into **Douglas-Charles (DOM)** via Antigua, Barbados, Guadeloupe, Martinique, San Juan, St Maarten or Miami. Ferries run from Martinique and Guadeloupe.
- ☐ Soufrière is about **90 minutes** from the airport. Tell us your flight and we will help arrange the transfer.
- ☐ **Arrive a day early** to settle in. Places to stay and eat are in our Soufrière travel guide.

3 HEALTH

CHECK WITH YOUR GP EARLY

- ☐ Everyone completes a **short medical questionnaire** before diving.
- ☐ If you flag a heart, lung, ear or sinus condition, recent surgery or pregnancy, we will ask for a **doctor's sign-off**, so sort it before you fly.

4 INSURANCE

POLICY NUMBER TO HAND

- ☐ Bring cover that includes **freediving** and, ideally, **hyperbaric treatment**. DAN is the standard most divers use.
- ☐ Have your **policy number** ready for the arrival form.

5 PACK

WE PROVIDE THE GEAR

- ☐ **Swimwear, a towel and reef-safe sun protection.** All freediving equipment is included on courses and camps.
- ☐ Bring your own mask, suit, fins or computer if you have gear you love. Training and competition divers bring their **full kit, lanyard included**.

6 YOUR NUMBERS

HONEST, RECENT

- ☐ Know your **certification level** and your personal bests from the **last three months**, by discipline. It lets us set the right depths and the right safety from your first session.

7 ARRIVAL FORM, THEN DAY ONE

[BLUEELEMENTSTORE.COM/ONBOARDING](https://blueelementstore.com/onboarding)

- ☐ **Fill in the arrival form before you land.** Two minutes: who is landing, when, what you have booked, your insurance and your recent numbers.

Day one: a short safety briefing and a liability release on your first morning, then straight into an assessment session so we can calibrate your plan.

Questions on timing, budget or logistics: WhatsApp +44 7554 739347, any time.
