CREATIVE WE NEED FROM YOU

- **Video spots:** MP4, 1920 × 1080, 25 or 30 fps, stereo audio, exactly 15 or 30 seconds, no letterboxing.
- **Logo rotation and bumpers:** your logo as PNG with transparent background, at least 1,000 px wide, plus an SVG if you have one.
- **Athlete pack inserts:** up to A5, delivered to Soufrière by 5 November.
- We can cut a simple 15-second spot from your existing footage and logo for **\$100**.

GOOD TO KNOW

- Prices are in US dollars and exclude any tax that applies where you are. Card payments run through a secure Stripe link on your invoice; bank details for transfers are on the invoice too.
- Items stack: a Day sponsor can add the logo rotation on the other five days, for example.
- No category exclusivity is included. Ask us if you want it; it is priced case by case.
- Partnership packages with website, social and on-site presence are in the separate sponsorship proposal, from \$500. The **Safety Team sponsorship** (\$12,500: your logo on the back of every safety shirt, in frame on every dive) is open for November 2026.

BOOKING

1

Tell us what you want. Email or WhatsApp with the items and days.

2

We confirm and invoice. Pay by card through the secure link on the invoice, or by USD bank transfer. The slot is held once paid.

3

Send creative by 25 October. We check it and confirm the run schedule with DiveEye.

4

Watch it run. You get the stream links and a short report of airings after the event.

Bookings close **31 October 2026** or when the inventory is sold, whichever comes first. Spots are scheduled at Blue Element's discretion within the break you have bought. If a competition day is cancelled for weather, its airings move to the next competition day. 5% of all proceeds go to the Blue Element CSR fund: a disaster fund for the island, swimming lessons for Soufrière children and reef conservation.
