THE COMPETITION BRINGS PEOPLE TO THE BAY. BE THE PLACE THEY GO.

8-17 NOVEMBER 2026 · SOUFRIÈRE BAY

For ten days in November, Soufrière fills with freedivers from around the world: the athletes, their coaches, partners and families, our crew of twelve, the judges and the film team. They need beds, meals, transfers, tours and somewhere to celebrate. A local partnership puts your business in front of them from the day they land, and on the live stream that reaches their audience back home.
